Axpo issues CHF 100 million bond

On 11 August 2026, Axpo Holding AG successfully placed a bond on the Swiss capital market for CHF 100 million.

With an eight-year maturity and interest rate of 1.29 per cent, the bond was well-received by the market. Proceeds from the issue will be used for general corporate purposes, for example in existing and new facilities.

Axpo Group CFO Harald Gauck said: "This successful bond issuance underlines the strong confidence investors place in our business model and long-term strategy. Access to the Swiss capital market strengthens our financial flexibility and supports our ability to invest in the energy infrastructure of tomorrow."

About Axpo

Axpo is driven by a single purpose – to enable a sustainable future through innovative energy solutions. Axpo is Switzerland's largest energy producer and an international leader in energy trading and the marketing of solar and wind power. Axpo combines the experience and expertise of about 7,500 employees who are driven by a passion for innovation, collaboration and impactful change. Using cutting-edge technologies, Axpo innovates to meet the evolving needs of its customers in more than 30 countries across Europe, North America and Asia.
